

2026 Early Career and Educational Scholarship Application Guidelines

The deadline to submit an application for a scholarship is Monday August 24, 2026.

The American Society of Ketamine Physicians, Psychotherapists and Practitioners (ASKP3) offers scholarships to early career professionals including current residents and fellows who might not otherwise be able to attend the **2026 ASKP3 Mastering the Essentials: A Hands-On Introduction to Ketamine Administration workshop**. Awards are based on the appropriateness of the educational opportunity related to the applicant's position, financial need, and contributions of the applicant to his/her community and to ASKP3. Scholarship incentives will be made available as follows:

1. 100% of your registration fee will be covered by ASKP3.
2. Up to \$1,000 in travel reimbursement will be provided by ASKP3 and may be used toward eligible expenses, including airfare, hotel accommodations, and incidentals.

PURPOSE:

- To promote our commitment to the safe clinical use of ketamine for mental health disorders and pain conditions.
- To create national exposure of our society to potential members and foster mentorship and collaboration.
- To allow individuals to participate who are eager to contribute to the ketamine field and their community who would otherwise not be able to attend the Workshop.
- To maximize quality of care by furthering knowledge, collaboration, and the exchange of ideas and research in the use of ketamine and other psychotropic medications for the treatment of mental illness and pain disorders.
- To promote high scientific, ethical, and professional standards in the field.
- To expand access to ketamine therapy internationally.
